Call to Order 6:30pm - Meeting minutes approved

The board discussed the recognized show that was held on August 8, 2026 and decided to hold another Zoom meeting on September 9 as a show recap meeting. The board also voted to implement the By-Laws, Code of Conduct and Operating Policies/Procedures as well as starting the application process for the 501(c)(3) status. The budget discussion was tabled for the next meeting.

Lisa

Brief discussion regarding future shows. The board decided to keep the series of three schooling shows per year. It was discussed to have one 1-day recognized show and one 2-day recognized show in 2027. Locations for all shows will be Imperio Acres and American Ranch - costs for American Ranch will need to be renegotiated.

The Judges's Stand is stored at American Ranch. It was decided that we will not ask Virginia to use her trailer as show office for the September show, and will set up between the covered arena and the hay barn instead (same as the last schooling show in July), and set up the show ring the same way as for the July schooling show)

Final vote on By-Laws, Code of Conduct, Operating Policies/Procedures - all in favor, approved

Budget Discussion - tabled until September board meeting
